

## ANNUAL REPORT 2021 – 22

The president of the meeting, Rev. Fr. Joseph Mulanjanal, the chief Guest of the day Shri Joy Kallupura, honourable guests on and off the dais, respected teachers, parents and my dear students

I am very happy to present before you a very succinct report of the academic years 2020-21 and 21-22. These two years have been pandemic years. The teaching has been mainly online, though exams were conducted both offline and online. Online teaching was a new challenge for all the stakeholders. In the first year of the pandemic closure, online classes were conducted through WhatsApp. Teachers had to condense the classes to below ten minutes duration. The curriculum transaction through recorded classes was a Herculean task for teachers, parents and students. Though the classes were of shorter duration, WhatsApp classes had advantage of listening to them repeatedly and also at any time. But the availability of mobile data and net connectivity remained a serious challenge.

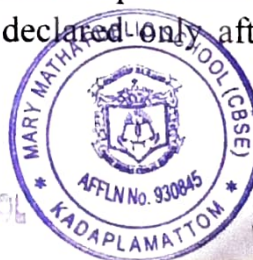

For classes IX and X we could conduct both online and offline classes. Ten students appeared for the board Exam during the academic year 2020-21. I am very happy to state that our school's performance in the board exams have been consistently excellent. This year Ancy Jojo and Meenakshi S Nair got full A1. Also 14 students appeared for the CBSE Board Examinations for the academic year 2019-20. All came out with colourful results Kum. Devanandha S. and Kum. Mareena Rojan got full A1. Our former students, Karthika P Nair got first rank in B.Com, Ansu Maria Rajesh got 4<sup>th</sup> Rank in B. Com, Kumari. Aparna P. Nair and Kezia Theresa Shaji got full marks (1200/1200) in Plus Two. Aparna cleared NEET at first appearance and is pursuing her medical course at Medical College Kottayam. Merit day was conducted on 13 Sept, 2021.

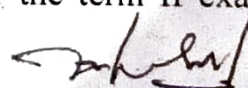

### 2021 – 22 ACCADEMIC YEAR

Online classes continued but the platform we used was Google Meet and Google Classroom. Teachers and parents could interact through Google Meet. Though classes were online exams were conducted offline. PTA meetings and Note Book checking sessions were conducted regularly.

This year 18 students are writing the class X board exam which is conducted in two terms. The first term exam is over and the performance of our students was outstanding. The final results will be declared only after the term II exam. I wish them all success.

We, the staff of Mary Matha Public school gratefully remember the services rendered by Rv. Fr. Joseph Thadathil and Fr. Jomon Manalel and hopefully look forward to the services of our new manager Fr. Joseph Mulanjanal and Fr. Mathew Kumblunkal.

All these two years we conducted kalotsav and art festival online. The students enjoyed showcasing their talents and uploading them in the WhatsApp groups. I congratulate them all.

In Sports also we could make our presence felt in various sports events conducted at district and state levels. Our sub-junior and senior teams bagged many prizes at district and state level championships and tournaments. Tony Biju, Sandramol Siby and Shreya Saji got selection in the Kottayam district team.

This year we hosted the Kerala state sub-junior championship on 20& 21 February 2022. 28 teams representing all the 14 districts in male and female categories took part in the championship. I place on record our sincere appreciation of all who worked for the conduct of such a mega event.

I thank God all mighty for the blessing showered on us and rededicate ourselves to Virgin Mary, our patron saint.

I submit this report for you approval.

Nimy Antony

Principal.
